Dear Mom,

I'm writing from the front lines of war-torn \_\_\_\_\_/school/work/  
my heart. Things have been really good/terrible/confusing/painful/  
\_\_\_\_\_ here. They are treating us really well/horribly/like  
animals.

I've been learning a lot. I've learned that \_\_\_\_\_/the enemy/I/the  
government is the problem with \_\_\_\_\_ and I'm doing everything  
I can to repair/control/heal/\_\_\_\_\_ it.

Please do/don't worry. Everything will be okay/unexpected/terrible/  
\_\_\_\_\_. Please send money/help/blood/food/clarity/  
\_\_\_\_\_.

Love,
